

CRA Announcement – Online Payroll Calculator

Payroll Deductions Online Calculator

Starting on January 1, 2007, you can use our new Payroll Deductions Online Calculator **free of charge**. It will have the same features as the CD version of the tables, without the hassle of downloading or installing the program. The online calculator will be compatible with all users' operating systems.

By using the calculator, you will help us reduce printing and mailing costs, and thus save public funds.

As of January 1, 2007, you will find a link to the Payroll Deductions Online Calculator at: www.cra.gc.ca/payroll.

Tables on Diskette

Changes are coming for the mail-out of ***Tables on Diskette*** (T4143).

In keeping with our goal to be environmentally conscious and reduce paper waste, we are significantly reducing the volume of hard-copy payroll products we produce each year.

The January 1, 2007, edition of *Tables on Diskette* will be published in limited quantities. Our goal is to gradually phase out the CD version of the tables by January 2008.

Tables on the Web

Payroll Deductions Tables (T4032), *Payroll Deductions Supplementary Tables* (T4008), and *Payroll Deductions Formulas for Computer Programs* (T4127) are available on our Web site at www.cra.gc.ca/payroll. You can download these tables and save them on your computer, or you can print only the pages or information that you need.
